

The Women's Foundation for a Greater Memphis' (WFGM) **Vision 2025 Strategic Plan** is to increase investment and reduce poverty in five Memphis zip codes by 2025. The plan focuses on increasing social and economic mobility, expanding partnerships, leveraging impact, and replicating place-based models in additional neighborhoods.

WFGM's place-based work in South City, zip code 38126, is the driving force behind our Vision 2025 strategic plan. WFGM has begun expanding our funding to grantee partners who serve the community in four additional zip codes – 38106, 38108, 38107 and 38109.

In fiscal year 2023-2024, WFGM will distribute \$1.6 million through grantmaking in support of 38 organizations in the community that are providing programs and services focused on the following areas:

- case management and wraparound services;
- early childhood development;
- youth development and employment;
- adult education, training and entrepreneurship;
- financial education and asset-building

Through community partnerships, WFGM helps provide a holistic approach to meet the needs of families through our place-based strategy. During the first two years of implementing our Vision 2025 Strategic Plan, WFGM—together with our grantees, community partners and stakeholders—served more than 17,000 individuals with the following outcomes:

 <p>2,656 individuals received case management and wraparound services</p>	 <p>457 children and their parents participated in early childhood development programs</p>	 <p>4,932 youth participated in development and leadership programs</p>	
 <p>3,173 individuals participated in Job Skills Training</p>	 <p>73 individuals started a business or micro-enterprise</p>	 <p>323 individuals participated in financial education and asset-building programs</p>	 <p>510 individuals were placed in jobs</p>
